Note for Application Form

1. If you are not a member of the Institute or your school is not an IMA-MCC School Affiliate, please complete this section with N/A.
2. If you are training to be a mathematics teacher;
 - In *School/FE/HEI Name* in section 1, please name the Institution who is providing your undergraduate/postgraduate initial teacher training (ITT) course, along with the name of your course. Under address, you may put an alternative address for correspondence.
 - If you are receiving your ITT via another route, please name the Institution where you are receiving this and the type of course. The address will be that of the Institution you are training at.
3. Please keep your short statement to the allocated space given in the application form.
4. For this occasion only, a co-signature is not required for non-members of the Institute for an award from the Institute's Education Grants.
5. The *Mathematics Today* article required to be submitted by successful applicants covers the requirements for the activity report.
6. If you submit your application form electronically, a hard copy is still required as we need a signed copy. Your application will not be considered until the Institute's Education Officer is in receipt of your signed application form. Electronic signatures are not accepted.
